

# Directions for Final Stable Syllable Game

## Materials:

Final Stable Syllable word cards, game pieces

1. Review Final Stable Syllable Deck
2. Player one chooses a word card, codes and reads it, then moves ahead to the space that matches the Final Stable Syllable in the chosen word.
3. Game continues with player two taking their turn.
4. If player lands on a space with an arrow they may move ahead to the designated space on the board.

The player to reach the end first wins the game.
