

# Let's Build a Snowman Game

## Materials:

1 copy of snowman pieces  
per player and a die

## Directions:

Lay all the like snowman pieces  
together on the table.

Have student draw a word  
from the word pile and read it.

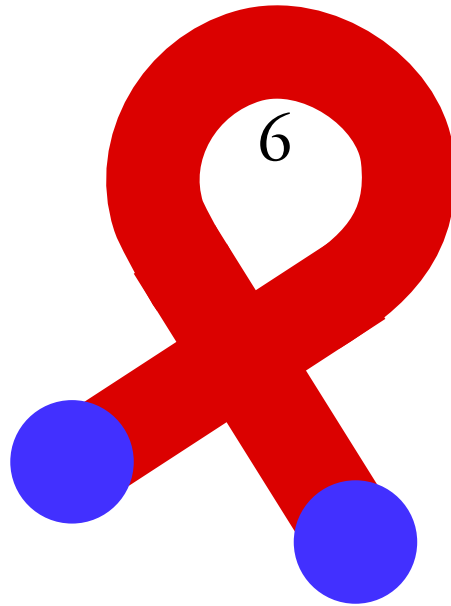

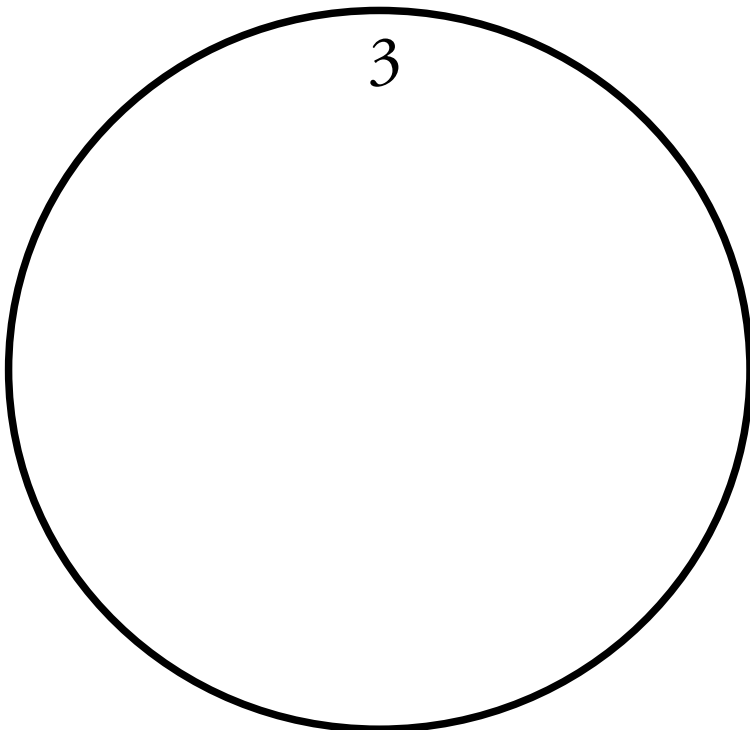

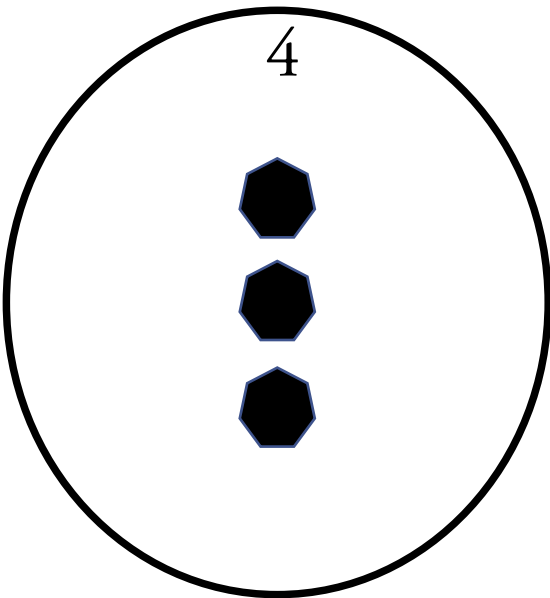

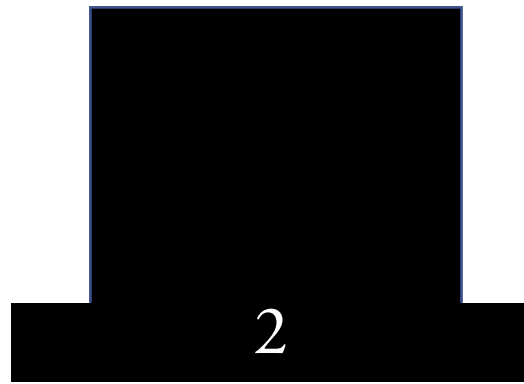

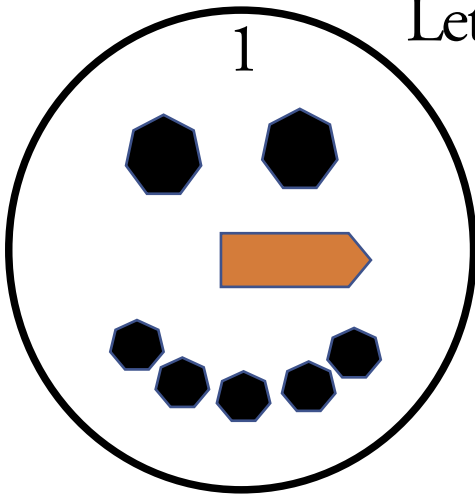

Student then rolls the die  
and chooses a snowman piece  
with the corresponding  
number.

The student who gets  
All of their snowman pieces  
first wins.

If student rolls a number  
for a piece he/she already has  
they have to wait until their  
next turn to roll again.
